Leaf Bags -- The City has given out over 45,000 bags this year, an all time high, which means two things. *One*, the city residents are cleaning up their yards more, and *two*, we will need to plan going into next year for more bags. We have ordered more bags for this leaf season and will begin handing out September 12th. Public Works Department leaf pick-up is scheduled with your garbage pickup. Paper bags only!!!! Plastic bags containing leaves and yard debris will not be picked up. Questions contact 962-8511

City Hall Complex -- Scheduled to open this September

Alley Ways -- Property owners & Renters, with an alley way, is responsible for maintaining their alley way to the center of the alley. Don't forget to cut the alley way when you cut your grass. Let's work together keeping our city clean.
