To determine how a holiday affects your pickup, consider the following guidelines:

- On all holidays falling on the first four days of the work week (Monday through Thursday), we will be off for that day and resume pickup the following day.
- All pickups falling on or after the holiday that week will be delayed one day. If a holiday falls on a Monday all scheduled days will be bumped up a day. If a holiday falls on a Friday, Friday's stops will be collected one day later, on Saturday. All other stops will be collected as scheduled.
