

Application for Land Fill Permit

Pursuant to Lake Station Ordinance No. 2000-09, the listed applicant hereby makes written application to the City of Lake Station, Indiana, for a land fill permit. The applicant desires to perform certain filling activity within the City of Lake Station.

Name of Applicant: _____

Address of Applicant: _____

Phone number of Applicant: _____

- A. Location by address of the area(s) on which the applicant desires to perform said filling activity:

- B. Name(s), addresses, and phone number(s) of any individual(s) who have ownership or beneficial interest in the property on which said filling activity is to take place:

- C. Name(s), addresses, and phone number(s) of any contractors to be used by applicant in the subject filling activity:

D. Supply a brief statement of the character, purpose and intent of the filling activity which is the subject of this application:

E. Supply a brief statement concerning the manner in which the dumping or filling will occur; and the amount, nature, and source of the fill:

F. Supply a brief statement concerning the exact description of all equipment to be utilized, together with the exact route within the city of Lake Station which all trucks and other equipment will travel in the course of performing such filling activity and traveling to and from the property on which said filling activity will take place:

G. Supply a brief statement concerning the exact safety and protective measures and equipment to be used to prevent spillage and blowing of material onto adjacent property and flooding of land or diversion of watercourses:

- H. Applicant may refer to the attached Section 4-80 of Lake Station Ordinance 2000-09 for further documents required to be attached with this application.
- I. Upon filing this application, applicant must attach hereto:
1. Applicable survey as described in Section 4-80 (b) of the attached Lake Station Ordinance 2000-09.
 2. The agreement between land owner(s) and contractor(s) as described in Section 4-80(e) of the attached Lake Station Ordinance 2009-09.
 3. A receipt from the City of Lake Station Clerk Treasurer of application fee of two hundred and 00/00 (\$200.00) paid by the applicant at time of filing this application.
- J. The undersigned applicant hereby expressly agrees to comply fully with all applicable provisions of Lake Station City Ordinance 2000-09, any applicable laws of the State of Indiana and of the United States, concerning applicant's dumping and filling activities, and the conditions of the city permit, and to post a bond to be determined by the City of Lake Station Board of Public Works and Safety in the penal sum of not less than ten thousand and 00/00 (\$10,000.00) secured by real estate or qualified surety, covering all damages, attorney's fees, costs of litigation or enforcement suffered, or to be suffered by the City of Lake Station as a result of any violation of the permit.
