## BASIC STEPS TO FOLLOW

1. Submit copies of plans drawn to a scale sufficient to show the required details. GIS photos will also help to show details in conjunction with this.
2. If all documents/paperwork have been properly submitted, you will be set for a preliminary hearing at the next regular meeting.
3. If all documents/paperwork are in order at the preliminary hearing, the Commission will set your petition for a public hearing at the next regular meeting.
4. The next day you will need to go to the Auditor's office at the government center in Crown Point with a letter from the city (included) requesting a certified list of surrounding property owners. If you own a parcel of land adjoining the parcel in question, then all parcels outer perimeters shall be considered as one parcel for the purposes of this notification.
5. No later than 21 days prior to the public hearing date, you are required to send certified letters to the property owners on the certified list.
6. Also, no later than 21 days prior to the public hearing date, you are required to post a sign on your property. The sign is available at the Clerk-Treasurers office for a cost of \$30.00. After the public hearing you may return the sign frame for a \$20.00 refund.
7. It is required and also your responsibility to advertise the public hearing in two(2) newspapers, no later than ten(10) days prior to the hearing date.
8. All proof of the above requirements are to be turned into the City of Lake Station Planning Commission and/or Board of Zoning Appeals Secretary prior to the date of the public hearing, to be placed in your file.
9. If the commission approves your petition, after the public hearing, a recommendation will be forwarded to the Common Council and you will be required to submit an ordinance for approval by the Common Council.
10. Upon your submission of the ordinance to the Lake Station Clerk-Treasurers office, you will be given an agenda date for the first possible Common Council Meeting.
